Release Date: April 17, 2009

LPS has rebranded LVC Contact Cleaner (#05416) to CFC Free NU LVC Contact Cleaner (#05416) .

The formula, part number, net fill and pricing HAVE NOT CHANGED. CFC Free NU LVC Contact Cleaner has reduced VOCs (Volatile Organic Compounds) and conforms to CARB (California Air Resources Board), OTC (Ozone Transport Commission) and LADCO (Lake Michigan Air Directors Consortium) VOC regulations.

CFC Free NU is fast evaporating, safe on plastics and will not leave a residue. CFC Free NU's penetrating action removes dirt, flux, moisture, dust and other contaminants from electrical equipment.

CFC Free NU (#05416) is an excellent replacement for LPS® CFC Free Electro Contact Cleaner (#03116) in California, New Jersey, Connecticut, Maine, Maryland, Massachusetts, Michigan, Ohio and Pennsylvania.
